Charlotte's Wonderful Stories

Check Charlotte's website to discover wonderful dinosaur activities and animal riddles. Once you have completed any of the activities, how about writing your own short story related to dinosaurs or any other animals. Charlotte says that her interest in dinosaurs springs from what they have in common with us, – for some were bipeds, and the fate of all hinged on climate change which was completely beyond their control, <https://charlotteswonderfulstories.wordpress.com/activity-pages/>

Be a Wild World Hero this Winter!

Welcome to the Winter Mini Challenge 2021!

For the Summer Reading Challenge this year we teamed up with WWF and explored nature and action for the environment with the Wild World Heroes.

This winter we are very excited that the Wild World Heroes are back to help with the Winter Mini Challenge!

Join the Wild World Heroes as they embark on an Arctic adventure to find out about the creatures that live there. You will find out about the environmental issues facing this remote place and might even spot a narwhal or two.

Sounds great! How do I take part?

Taking part in the Winter Mini Challenge is simple: all you have to do is read at least three books between **Wednesday 1 December 2021** and **Sunday 16 January 2022**. Click on the link below to take part.

<https://summerreadingchallenge.org.uk/news/general/winter-mini-challenge-2021>

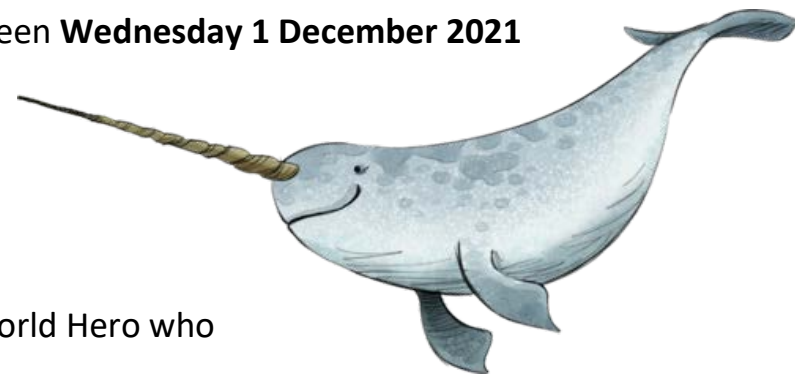

Add 3 books (or more) to complete the Winter Mini Challenge and become a Wild World Hero!

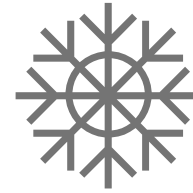

There's a brand new certificate AND a limited-edition virtual badge for every Wild World Hero who completes the Mini Challenge.

We even have a handy Reading Record to help you keep track of your winter reads.

You can choose any books you like – fact books, fiction, joke books, picture books, eBooks, audio books – the choice is yours!

Christmas Jumper Day is on 10th December, so this challenge is to design a Christmas jumper! It needs to be an original design, but you can choose what colours and theme you use!

Make some Christmas memories!

This challenge is about creating a list of at least fun (and free!) activities to do over Christmas see how many you do. To get your stamp, you should do at least 5 activities! For example, sing a Christmas carol, find a house all lit up, make a snow angel (if it snows!) or even bake some Christmas cookies!

Make a Christmas playlist

I absolutely LOVE music and what I love even more is Christmas music! For this challenge, I would like you to choose at least 10 Christmas songs that are your favourites and that you would play at a Christmas party!
