

St John's CE Middle School Key Performance Indicators

Pupils who are working at age related expectations at the end of the year will have a secure knowledge of these Key Performance Indicators.

Year 7 Art and Design

Ideas

- I can engage in open-ended research, experimenting with drawing and design techniques to produce more expressive designs.
- I can select from the media I have used which would be the most appropriate for my design.
- I can independently select and use expressive characteristics of the visual elements for example line, tone, colour, texture, shape or pattern.
- I can study artwork, then confidently analyse and select characteristics which can be used in my own ideas.

Knowledge

- I can understand and explain how different types of art and design convey meaning.
- I can use subject appropriate language to express ideas.
- I can thoughtfully select materials and tools to support additional creative actions in response to artworks that have been selected in line with personal taste and judgement.

Making

- I can confidently extend my practical skills by using a sketchbook, virtual tools and other means to develop personal ideas and explore creative approaches.
- I can develop my use of artistic elements by adding further techniques, modifying scale, adding detail avoiding mess and responsibly clearing away after practical activities.
- I can understand and use tools in different ways to control how a particular media is applied and the effect it creates.

Evaluating

- I can explain how particular periods, genres, styles or aspects of design contain visual and expressive characteristics that convey meaning.
- I can carefully evaluate my own work and others' work against success criteria to identify how improvements could be made.
