## OUR FEATURES

Each school sets up epraise differently, which means that you may not be able to see all of the features listed below:

## POINTS

Go to the *My children* tab and select either *View all* or their name. On their profile you can see an overview of their achievements and points and then you can use the tabs along the right to see a more detailed view.

## DIGITAL BADGES

Most schools have a series of point based milestones

that every student automatically gets if they hit different point targets. You can see all the badges that your child has on the *Overview* page on their profile.

## MARKSHEETS

You will be able to see any grades that have been shared with your child under the *Assessment* tab on their profile. You can click on each class to see a more detailed view of their results.

## HOMEWORK ADD-ON

Listed under the *My children* tab you'll see an option called *Planner* and a tab on their profile called *Classnotes*. You can see when homework has been set, when it's due and download any attachments.

## CLUBS & ACTIVITIES

Our *Get involved* feature is under the *Community* tab. You'll be able to see any clubs or activities that are on offer to your child. If you are able to sign your child up to an event you will see a blue button with their name on that you need to click.

## NEED HELP?

Your first point of contact will always be the school as they can verify your identity. They will let us know if there is any issue we need to deal with.
