

# Use and Impact of Sports Premium Funding at St Johns Middle School

**Academic Year 2016-2017, Allocation £9,635**

**Ofsted Criteria:**

***Evaluating the school's use of the new primary school sport funding***

*Inspectors should consider the impact of the new primary school sport funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:*

- *the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics*
- *the increase and success in competitive school sports*
- *how much more inclusive the physical education curriculum has become*
- *the growth in the range of traditional and alternative sporting activities*
- *the improvement in partnership work on physical education with other schools and other local partners*
- *links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills*
- *the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health*
