

# St. John's Church of England Middle School Academy.

**This presentation is to give our new pupils starting year 5 in September a little information about St. John's.**

**It will give you lots of information about the school, the lessons and what to expect when you start.**

# Firstly, things to think about...

## What will be different?

The size of the school, new teachers and classrooms, sometimes moving to other rooms for lessons, clubs...

## What will be the same or similar?

Kind, helpful teachers, classrooms, other children, lunchtimes and many more..

Don't forget, when you start, all the teachers and other pupils will give you lots of help and support as you learn about your new school...

# The School.

## How big?

St. John's has nearly 700 pupils.

That's a lot of possible new friends and all of them were also new to St. John's at one time!

# The Church.

## St. John's Church.

Just a 2 minute walk from school, we visit through the year for Harvest festival, Christmas service, Christingle, Ash Wednesday and other special times.

# The Library.

When you start, you will receive your own bar code to stick in your planner, for scanning when you take out a book, just like a real library.

We have hundreds of books of all sorts, for every reader.

# Outside Areas

We are lucky to have large outside areas, including two fields, a basketball court, football courts with goals, a school garden, quiet areas and a trim trail.

# The School.

## Specialist classrooms.

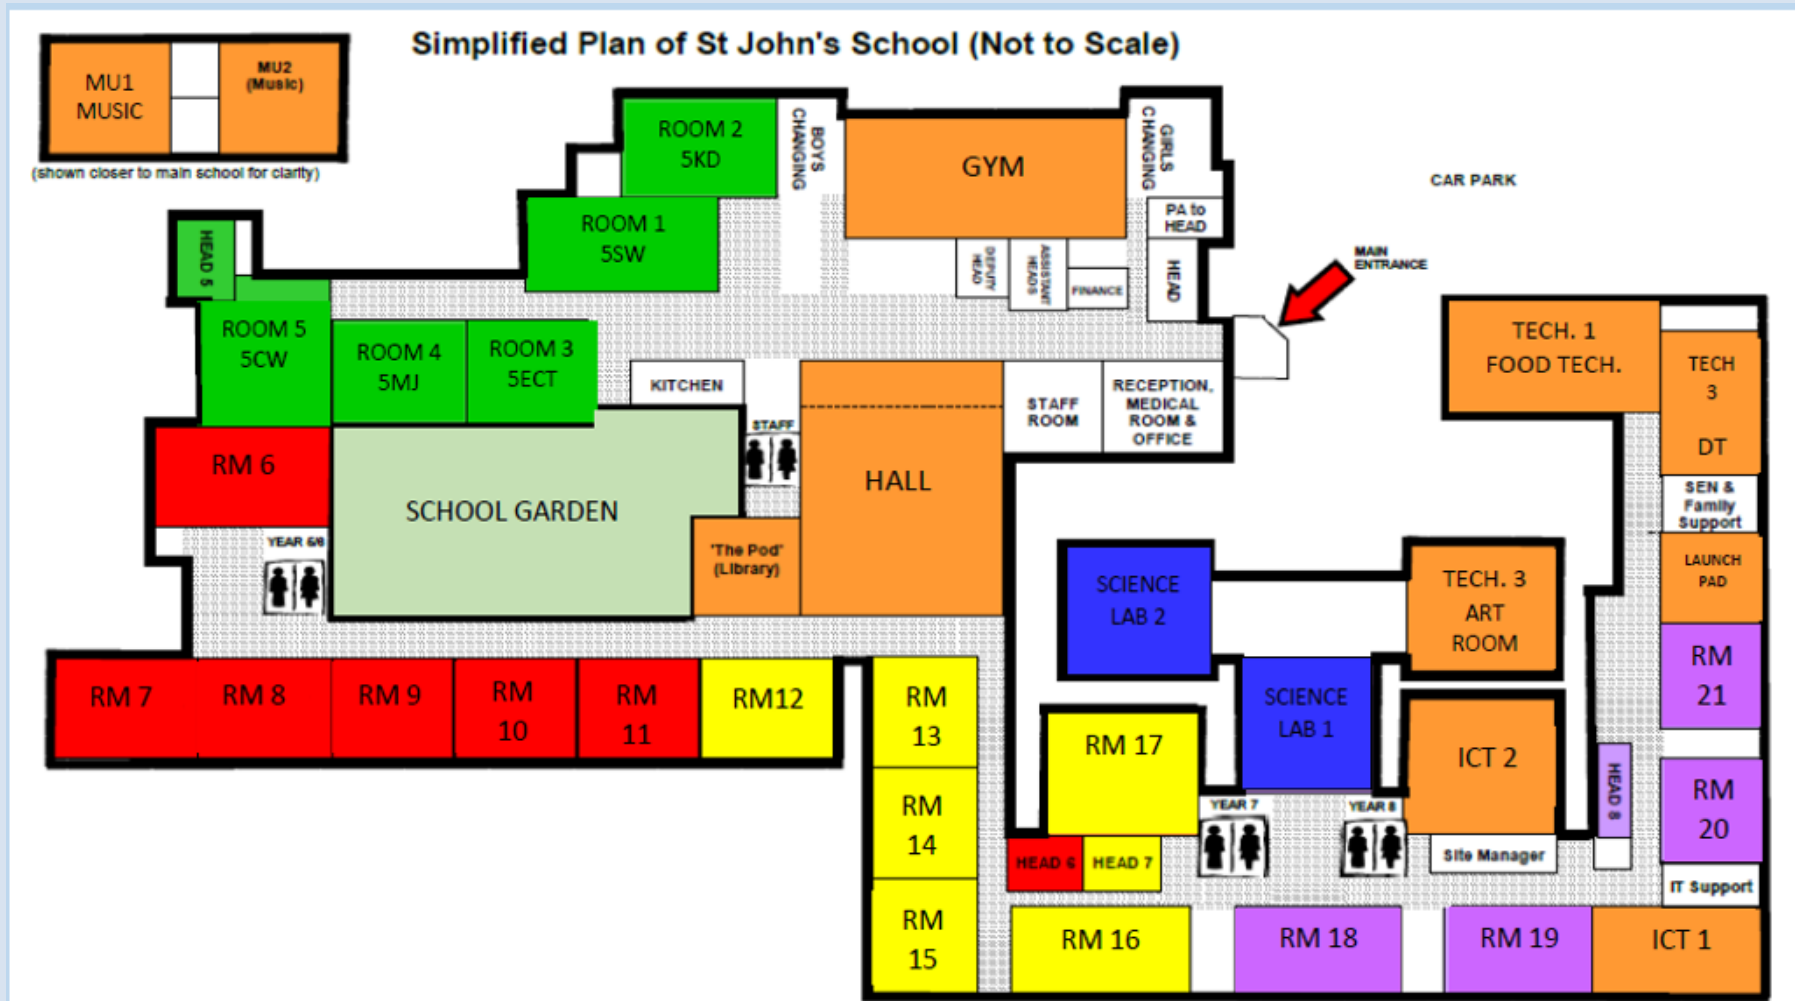

At St. John's you will be able to have some lessons in classrooms especially designed for that subject, including;

- 2 science laboratories,
- 2 music suites,
- 3 technology rooms,
- 2 ICT suites
- A gymnasium.

# The School.

This plan shows the layout of the school. The green rooms are year 5. (it's not as complicated as it might look at first! – we will help you if you need to find somewhere and you will soon learn your way!)  
Can you find an ICT suite and a Science lab?

# The School Day.

These are the times of a normal school day and an example of what a timetable might look like for your lessons... You will get your timetable on your first day, but to begin with you will spend most time in your own class.

Can you see what you might have on a Monday morning, lesson 2?

8:50am	Registration
8:55am	Assembly or tutor time
9:15am	Lesson 1
10:10am	Break
10:25am	Lesson 2
11:20am	Lesson 3
12:15pm	Lunchtime
12:55pm	Registration
1:25pm	Lesson 4
2:20pm	Lesson 5
3:15pm	Home time

	1	2	3	4	5

# Planners.

Every pupil is given a planner to keep with them in school.

It is like a homework diary or reading record and helps you to know which lessons you have each day, it is for writing in messages to teachers and for writing down any homework you might have.

## Clubs.

At St. John's we are very proud of the amount of clubs and activities you can join. There is something for everyone, including football, rugby, netball, hula hooping and many many more.

# Trips.

Each year group has a residential trip they can choose to go on, starting with Malvern Outdoor Centre in year 5.

## GOYB.

GOYB stands for Give of Your Best – Our school motto. Our GOYB scheme allows you to use housepoints in our shop to buy things from pens, pencils and notebooks, up to a place on a trip to a theme park!

## Houses.

When you start you will be put into a house which will be either Tudor, Hanover, Stuart or Windsor (although we don't yet have a sorting hat.) Your own house points add to the total for your house to see who wins the house cup at the end of the year.

Houses also compete against each other in sports competitions including Sports Day!

Hopefully this information has been helpful, but of course if you have any more questions we will be able to answer them as soon as you start!

Most importantly we all hope you are feeling excited about starting St. John's and ready for new and exciting times ahead!
