KS2 Year 6 History

Chronology	Evidence shown
I can summarise the main events from a period of history, describing the order of events and what happened.	
I can describe the main changes in a period of history (such as: social, religious, political, technological and cultural.)	
Cause and consequence	
I can independently provide a comprehensive list of valid reasons why events took place and the effects of them.	
I can order causes and/or effects into a hierarchy of significance and will comment insightfully on my choices.	
I can make valid links between why certain events occurred in the period studied and events taking place in other periods or locations, or note how the effects of events could be similar.	
Historical Enquiry	
I can describe a key event from the past using a range of evidence from different sources.	
I will refer to a broad range of complex, varied sources studied, to help me reach an overall conclusion based on evidence.	
I begin to challenge and explain how reliable and useful a source is.
