HOME SCHOOL VALUES...

is a resource to help schools further strengthen links with parents by sharing with them their Value in Focus each term. 18 colourful double-sided sheets (one for every value in Values For Life*) are packed full of fun activities for the family to do together alongside topics to stimulate discussion and reflection.

SCHOOLS CAN OFFER HOME SCHOOL VALUES...

as photocopied sheets sent home to families or as a download on the school website.

HOME SCHOOL VALUES IS DESIGNED TO PROMOTE SPIRITUAL AND MORAL DEVELOPMENT

It is not homework and is used most effectively when parents are really enthusiastic about exploring the value at home with their children. Parents will need to use discretion when deciding which parts of each issue of Home School Values are most appropriate to the age of their children.

THERE ARE COMMON ELEMENTS TO EACH OF THE HOME SCHOOL VALUES SHEETS:

TALK ABOUT

A short introduction to the aspect of the value addressed in the issue, as well as questions to discuss together.

READ TOGETHER

A version of a key Bible story for each value especially written to be read aloud.

WORDS OF WISDOM

A wise saying to think about and reflect upon.

FASCINATING FACTS

Facts and Figures to amaze and marvel at.

FAMILY FOCUS

A fun activity to involve all the family.

HOME-SCHOOL CHALLENGE

Something creative to make to take back to school for the Value Challenge Gallery.

HALL OF FAME

An inspirational character who has demonstrated the value in the way they have lived their lives.
