National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census and early year's census.

Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department for Education and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) with any further questions about the NPD.

Youth support services

Once our pupils reach the age of 13, we are legally required to pass on certain information about them to Worcestershire County Council, as it has legal responsibilities regarding the education or training of 13-19 year-olds.

This information enables it to provide youth support services, post-16 education and training services, and careers advisers.

Parents/carers, or pupils once aged 16 or over, can contact St John's C of E Middle school Academy to request that we only pass the individual's name, address and date of birth to Worcestershire County Council

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Parents and pupils' rights regarding personal data

Individuals have a right to make a '**Subject Access Request**' to gain access to personal information that the Trust holds about them.

Parents/carers can make a request with respect to their child's data where the child is not considered mature enough to understand their rights over their own data (usually under the age of 13), or where the child has provided consent.

Parents also have the right to make a Subject Access Request with respect to any Personal Data the Trust holds about them.

If you make a Subject Access Request, and if we do hold information about you or your child, we will:

If you would like to make a request please contact St John's C of E Middle School Academy, whose contact details are provided in the "Contact Us" section of this Privacy Notice.

As we are an Academy, there is no automatic parental right of access to educational records. However, we will decide on a case by case basis whether or not to fulfil such requests within 15 school days of receipt of a written request.
