Year 8 Spellings

Here are some spellings that we would like you to work on this week. Each day we would like you to spend at least 15 minutes practicing your spellings. As well as copying out the sentences or completing this sheet, on the website you will find a spellings document named 'Spellings fun! Activity sheet'. Each day choose a worksheet to complete using the spellings on the next page. On Friday ask somebody else to test you and see how many you can get right.

Now that you know the meanings of these words, you need to practise spelling them correctly! Complete this activity on the back of this sheet:

Spelling Scramble:

Write out 6 spelling words but scramble them up. Wait until the next day to unscramble the words ensuring you know how to spell them correctly

For example: 'ampixel' is scrambled up but unscrambled, the word is 'example'.
