

As many of you are coming to the end of your projects can I thank you for all the work sent in. Here is a standalone task for completion

Whole School Competition Time. As you have done so much keyboard work these last few months I thought we'd turn them into art. Watch the link below and design your own keys suitable for each letter. E.g. A- Apple logo, N: NHS (a rainbow) T: a cup of tea. Try to keep the drawings simple as the keys are small. Please draw/paint on the template not your keyboards! One winner from each key stage will have their work shared on Twitter and surprise edible treat. Good Luck all!
